Person:

Date:

Mr. Robert Cunningham. 16 February 1948. close relation to the job he is doing. Since this job is directly concerned with national security and the national interest, and has been consistently well done, I believe that Mr. Reel can be said with sincerity to be an employee of unquestionable loyalty and integrity. 5. The same beliefs of the writer pertain to Mrs. Reel's wife, whom I have met on many occasions and found to share his attitudes and feelings completely. She, too, is strongly interested in the work Mr. Reel is engaged in and has, as far as outside interests, these are limited to happy and wholesome home and social activities, appear strictly restricted to the business of the day. 6. In this respect, I believe that both Mr. Reel and his wife are, by training and personality, security-conscious people who are quite happy to devote themselves to the success of the career in intelligence which Mr. Reel has selected.
