DISPATCH

TO: Deputy Chief, WH/SA

FROM: Chief of Station, JM/WAVE

SUBJECT: RYBAT/TYPIC/Operational/AMWORLD

The Private Life of AMBIDDY/1's First Family

ACTION REQUIRED: None, FYI

REFERENCE: UF-W-3514 of 6 April 1964

1. The following AMOT report concerning the not-so-private affairs of AMBIDDY/1 and his fiancée may be of interest to REDACTED. According to AMOT/19, AMBIDDY/1 intends to formalize his relationship with Idea B sometime within the next few months. The marriage will probably take place in Latin America and Idea B will make her home there to avoid a public scandal which would have a marked effect on the AMWOL organization. Attention is called to paragraphs 14, 17, and 26 which answer, in part, some of the questions raised in ref dispatch concerning ODYOKE involvement in AMWORLD. The Station has forwarded reports of

this nature which concern claims by members of the Cuban exile community of KUBARK sponsorship of AMBIDDY/1. Of the specific claims cited by the Cuban, intelligence, or otherwise, to support their allegations those statements attributed to the AMWORLD principals themselves appear to be the only ones which can make a claim to "knowledge" as opposed to convictions based on AMWORLD's alliance. To date no tangible evidence of KUBARK involvement with AMBIDDY/1 has come to our attention.

2. Source states that she has known AMBIDDY/1 since they were children in Esmeralda municipal term, Camaguey province, from where both of them come originally. Source further states she is also a close friend of Idea B, who is now AMBIDDY/1's mistress and a homosexual like source (according to source's statements).
