1. In 1960, I was employed by the CIA and one of my responsibilities in the course of my employment was to serve as the case officer at Headquarters for an agent who operated under the cryptonym "WIROGUE." I read most of the cable traffic relating to WIROGUE until the point of the termination of his relationship with the Agency.

2. To the best of my knowledge, I participated in all training that WIROGUE received in preparation for his assignment to the Congo in 1960.

3. WIROGUE was not trained in medical immunization in my presence. I am not aware that he was provided with any such training.
