6. GUERTLER again reminded A-19 that it was no longer sufficient to merely deny ODYOKÉ involvement in the project but was necessary to take positive steps to implicate other Latin American governments and create the impression of increasing difficulties with ODYOKÉ. It was left to A-19's discretion on how to do this, but when talking about his problems with AMWORLD-2, Sopo and Mole it was suggested that he do this in strictest confidence as just for the inner circle of ANYUM. This will guarantee the story proper dissemination.
