AMROD Meeting in Panama, 7-8 June 1964

File: Action 201

SUBJECT: AMROD-1's Father

Spain

1. AMROD-1 claims to have learned via QUANTUM 50 that his father is hiding in the home of a friend in the Havana area.

SECRET

2. AMROD-1 senior sent word that he is in touch with some old CP buddies who have offered to help him get out of PRIMERA. AMROD-1 is anxious to pass a message to his father but not via QUANTUM 50 because of his distrust in the political orientation of the government. In this message, AMROD-1 wants to suggest to his father that he induce an old CP emissary to meet with AMROD-1 outside of PRIMERA, e.g., in Mexico. AMROD-1 believes that the rift between AMROD's regime and the old CP offers unprecedented opportunities to cause mischief.
