as a former ambassador to Great Britain, who favors the regime's economic orientation with the West. On the other hand, he is known to be a man of weak position, Christian in religious beliefs, but he would consent to any post the West desires. His nomination is possible; however, it is most likely that he will continue to serve the less important men in these countries.

6. Other Mysteries Whose Detection is Considered Virtually Impossible

Dec. 6, 1931
