Training

2. A-1 was told that the technicians who are to receive training aboard the Dolores should be ready to leave for New York by 15 April. As the van will be shipped directly, it will only be possible to train up to ten technicians on the Dolores. We will be able to train up to ten technicians, and A-1 should send as many as he wants to. We will let AMJAVA-10 know on Tuesday, 14 April, exactly when and where they should report for training.
