CONTINUATION OF DISPATCH

LPGA-15312

13. One time AMBIDDY/1, Iden B and source had a meeting and discussed who should be the pilot of his private aircraft. Iden B proposed a pilot named ALEXANDER (according to source, ALEXANDER had relations with Iden B), but AMBIDDY/1 opposed this and complained that the PERPERIES forced him to select the personnel.

14. About 7 months ago (on or about Nov. 63), AMBIDDY/1 told Iden B and source that he was going to receive secret training course under PM/CI direction. AMBIDDY/1 used to leave every day at 6 AM and come back at night. According to source, the course was under the instructions of the PM/CI. Iden B used to drive AMBIDDY/1 in an automobile to a place in Coral Gables where the course was being given. Every time AMBIDDY/1 returned from the classes he talked about the things he had learned and talked about secret writing, codes, or some pens with a substance which could kill instantaneously, about sabotage methods, etc., etc.

15. AMBIDDY/1 frequently spends long hours at night in his house making up accounts to justify expenses.

16. After Iden B's divorce, AMBIDDY/1 moved with her to 881 NE 71st Street. AMBIDDY/1 talks constantly in the house where he lives with her about his future plans, about the single party, about the dictatorship which has to be imposed in Cuba, etc. AMBIDDY/1 often puts on a uniform, poses in front of the mirror at talks about invasion.

WAVE COMMENT: This is one of several recent reports concerning statements attributed to AMBIDDY/1 in which he has spoken of the need for a strongman to run Cuba. AMB/1 reports that on 10 June 1964 a MARIN Navardo (CO of approximately 30 WORKERS recently arrived from the camp) states that AMBIDDY/1 appeared in the training camp, took a dictatorial position on a number of issues remaining with the statements to the effect that he was the only one to liberate Cuba, he was the only one to run it later, and that there would be no voting and no elections. MARIN objected, stating that he had joined a revolutionary group, not a dictatorship, and along with other trainees requested to return to the way he was. According to AMBIDDY/1 when the trainees arrived and went to the AMTW/10 to receive their final check MARIN refused, a fight ensued and AMTW/10 had to intervene. MARIN characterized AMBIDDY/1 as deceitful, liar, coward, despot, dictator, mad, and a flagrant opportunist who cannot be trusted, etc. Realizing that AMBIDDY/1 is strongly prejudiced against AMTW/1 this comment is forwarded for what it is worth. AMTW/1 has confirmed the incident at the AMTW office and the number of observers or not it is justified, there is a considerable number of WORKERS who hold similar views now and who attribute statements to AMBIDDY/1 which

are inconsistent with his previous public statements.

17. At the time of President KENNEDY's death, source asked AMBIDDY/1 whether this would harm him and he replied smiling that it did not, that he was now receiving more aid than before. AMBIDDY/1 told source that he had received a card from Mrs. Jacqueline KENNEDY in reply to the condolences which he had sent her, and that he had answered Mrs. KENNEDY with expressions of sympathy.

18. According to source, AMBIDDY/1 has just given Iden B a fabulous amount of money to buy her a house. Iden B wanted to buy a small house for AMBIDDY/1, but they were not able to decide that specifying that the house belonged to her. Iden B told source that AMBIDDY/1 had given her a down payment of \$300, and a total of \$3000, etc. Source also reports that AMBIDDY/1 has given to AMBIDDY/2 his car.
