SUBJECT: Telephone Conversation between Martin Ferrer and AMBIDDY-1

Above conversation conducted between secure phone code and direct phone code.

DATE: 16 March 1964 at 1630

1. AMBIDDY-1 called this office to say that Luis TOMAS Rey and Eladio BAS Trespalacios couldn't sail because they were unable to obtain their re-entry permits. Since these two could not obtain their permits "the people" had told Amado MUNNE Pantaleon that it was not worthwhile for him to go. Martin asked AMBIDDY-1 if any mention had been made concerning TOMAS's skin rash and that he did not see a doctor. AMBIDDY-1 stated that he had not been so informed by Martin. AMBIDDY-1 was asked if the only reason BAS and TOMAS could not leave was because they could not obtain their re-entry permits. AMBIDDY-1 answered that was the sole reason and that all three wanted to go desperately. AMBIDDY-1 agreed that under any condition MUNNE should go since he is the most important of the three.
