5. Indirect economic sabotage with a low level of visibility and detection. Programs of this sort involve possible overseas sabotage of Cuban ships and possible addition of contaminating elements to sensitive Cuban imports (not food).

[Illegible text at the bottom.]

Recommendation: It is recommended that these programs be continued.

6. CIA-controlled sabotage raiding apparatus in Florida which conducted five raids in the summer and fall of 1963, before authority for such raids was suspended for political reasons.

Recommendation: Opinion is divided on this issue and it is recommended that higher authority hear the arguments of different parties.

7. CIA-supported (but not directly controlled) autonomous Cuban exile groups operating from Central America. These groups will begin operations soon unless action is taken to try to stop them.

Recommendation: Again opinion is divided and it is recommended that higher authority hear the arguments.
