CLOSING STATEMENT FROM CUBA DOCUMENT

We consider that the analysis of the informations we offer, the publicly known, and the ones that the American authorities possess and have not been published, allows us to affirm that the physical elimination of Cuban Revolutionary leaders, especially the Prime Minister Fidel Castro Ruz, has been a reiterated policy of the United States through its subversive agencies, making use of Cuban counterrevolutionaries, U.S. citizen and all kind of corrupted individuals, inside the country as well as abroad, without taking into consideration the victims that would result from these actions.

With this purpose, they have provided the participants with a great number of weapons, explosives, technical means of transportation and communication for the accomplishment of their plans.

These are some of the connoted and proved facts of the numerous subversive activities that the CIA has carried out aimed to the assassination of the leaders of the Revolutionary Government of Cuba.
