Report # ED-950, CE, 11 Jun 64 (cont.)

Source's impression is that [REDACTED] and [REDACTED] have closed their house to all visitors, because both [REDACTED] are concerned about the way in which all the information about them has been leaked. One time [REDACTED] exclaimed with fear: "It's the G-2 in our house".

After source's telephone conversation with [REDACTED], [REDACTED] called source and said: "Last night [REDACTED] could not sleep. All this gossip is going to ruin him."

[REDACTED] told source that one time [REDACTED] had called her from Caracas, Venezuela, telling her that he could barely speak because he was hoarse from talking to all wealthy Venezuelans asking them to give money for the Cuban cause.
