1 - COS, JMWAVE

SUBJECT: AMWORLD - Training by JMWAVE of AM-BIDDY-1 and AMJAVA-4

[Handwritten annotations and stamps present on the document]

1. In the opinion of JAMES D. LAMOTH the training presented to AMWORLD's principal agents was of great value to the project. Project management and operational planning were very effectively highlighted.

[Bottom section contains administrative and classification details, including signatures and dates.]

2. Proof of the pudding was in the plan presented by AMBIDDY-1 and AMJAVA-4 on 28 March in Miami, which envisions a raid on PBRUMEN about mid-April. The good results of the JMWAVE training sessions were readily apparent in the quality of this plan.

3. We appreciate the time and effort expended by JMWAVE on these training sessions and wish to record our impression that they were successful and highly professional.
